Substitute Calling Procedures

Employees in need of a substitute should call **253-6818**, which is a recording system. It is important that you:

1. Call in advance (at least two hours prior to your workday), as soon as you know you will be absent, but no more than **2 weeks** in advance of your absence.
2. Leave morning calls for sudden illness/emergencies.
3. **Also** inform the school/site office of your absence and anticipated return prior to the beginning of the workday. It is also helpful to call a member of your classroom team.

The County Office Calling Service will make arrangements for substitutes beginning at 6:00 a.m. With your cooperation, **the majority of calls requesting substitutes should be recorded prior to 6:00 a.m.** If you are going to be absent for more than one day and have not informed the Calling Service accordingly, please notify your school **before** the substitute leaves for the day to see if he/she can return. **Then call the Service to give this information.**

When calling **253-6818**, after the tone please give the following information:

1. Your name.
2. Whether you are an aide or a teacher.
3. Name of school.
4. Date(s) of absence, reason, and expected return (if known).
5. The hours you work or the hours a substitute is needed.

Child Development Program Employees

For those employees who begin work before 8:00 a.m. call **253-6818**.

Between 8:00 a.m. and 5:00 p.m. call Becky Payne at **253-6850**.

Regional Occupational Program Employees

Prior to 8:00 a.m. and after 4:30 p.m., ROP employees in need of a substitute should call **253-6818**. Follow the procedures listed above. Additionally, you also need to leave a message on the ROP department phone number (253-6830) indicating your status.

Between 8:00 a.m. and 4:30 p.m., ROP employees should call the ROP department at **253-6830**.

Immediately notify both the ROP office and your school/site of any expected or unexpected absence, so they are aware that a substitute will be taking your place.

All Others

Continue to follow present procedure, i.e., notify your program. (Juvenile Court and Community Schools call **253-6817**.)
