Text for Parent Newsletter

Parents:

Did you know your student has free access to **ed1stop, a website portal** acting as a personal gateway for Napa County teachers and students with **free access** to both subscription-based services and educational Web sites?

Portal resources are selected to help teachers meet state standards, improve instruction and benefit all students with exciting curriculum content support. The ed1stop portal is a fun and easy way for students to explore Internet resources. Students can use the portal for skill-building, project research and simple entertainment. The portal also includes a variety of parent resources and information.

Accessing ed1stop is easy!

1. **Go to the NCOE homepage** at: www.ncoe.k12.ca.us

Enter your student's username and password in the ed1stop login box. Your child's teacher will provide you with the login information.

Have fun exploring with your child this amazing resource!
